Are my donations tax deductible? Yes, indeed! We are registered with the State of MS as a non-profit and have a 501-C-3 approval number (20-3861994) from the Federal Government. We will gladly give you a receipt.

Who do you help ? We house people who are homeless: (women, children, pregnant teens, men, whole families) living in dire straits, displaced, or abandoned. They must be willing and able to seek and secure full time employment & willing to follow rules.

What kinds of donations do you accept & what do you do with them? “We accept anything we can use to help someone get on their feet. We always say, “*anything for a house or a person!*” In other words, we don’t usually turn anything down and we do not sell things unless someone tells us to use the donation to raise money (like the yearly rummage sale for the teens summer trip). We gladly accept anything from a pair of shoes to a Volkswagen (we even received a boat once)! We also accept cash, checks, gift cards, & (on our web site) you can donate by credit card.

Do you pick up donations? Yes we do! Picking up things allows us a certain measure of fellowship and blesses the homeless and needy at the same time. Call to schedule.

Do you ever speak to groups to tell your story? Yes! We love to talk about the miracles of Jesus. Homelessness and addiction are things we know from experience. God has taken all the bad things we allowed in our lives & is using our deliverance as a testimony to minister to others. You just say where and when...we will be there!

How are you funded? We are funded solely by private donations...we do NOT accept government funding of any type. We DO accept grants from private foundations and corporations.

When a person is hungry, it is a greater good you do to teach him how to fish, than to merely give him a
