"...feeding the sheep..."

"...and now Lord, consider their threats, and enable your servants to speak your Word with great boldness. Stretch out your hand to heal and perform miraculous SIGNS & WONDERS through the name of your holy servant, Jesus....." Acts 4: 29-30

## "Back To School"

School for most of Mississippi starts about the second week in August (only a few weeks away). Most of the year, our school-age population is between 15 & 20 every day.

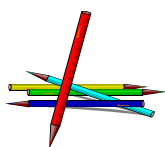

**We are very appreciative of any back to school help we can get. This includes uniforms, school shoes, a winter coat or jacket, a book bag &, of course, the school supplies that get them started in classes.**

Standard school supply lists are usually up in the stores, but it is really hard to know the specific stuff until that first week of school.

This would be a great time for us to have folks on a CALL list to gather the supplies OR to have you all send Walmart or Target gift cards so we can just get the lists and take the kids to pick stuff out.

The general items that are used all year long and you can't go wrong with are:

- ✓ Notebook paper & Copy paper
- ✓ Crayons & Colored pencils
- ✓ School glue & School scissors
- ✓ Colored markers- thin & thick
- ✓ Three ring binders & subject dividers with pockets
- ✓ Manila paper, Pencils & black pens
- ✓ Backpacks (sturdy)
- ✓ Uniforms
- ✓ Ziplock bags & kleenex
- ✓ Germ X

It would be really great this year to have the children pick out their own uniforms & shoes thus allowing them a little bit of a personal say in their school appearance.

**You are a blessing to us every year and you, indeed, bless so many children. Thank-you ! For your continued support of this worthy project and always for your prayers.**

## "Praise & Prayer"

Enjoying Sanctuary Ranch before school starts!

### PRAYER FOR SANCTUARY RANCH:

The sanctuary ranch project on the Natchez Trace has come to an abrupt halt. The grant from Mr. Player has been depleted and we are seeking guidance and waiting on God to know which path to take. We have taken several groups of children up to just ride the horses and have a little romp-in-the-sun fun....but we are no where equipped to handle completion of this project without another grant or large donation.

### PRAISE GOD FOR AMY'S JOB:

One of our ladies here has rededicated her life to Jesus and has been diligently praying and seeking God's will in her life. She has three little boys and they are with her now....life has taken her on a wild ride. The Word says that sin brings forth death.....that is where she was headed!

Now Amy has a great job with the State, she has good benefits for her and her children, a great car, and one of her little boys is starting school in a couple of weeks.....by the way, Amy is looking at some night school for herself, too; so she can move up in her new job THAT'S WHAT I'M TALKING ABOUT !!!! PRAISE GOD!!

**ASK FOR AMANDA WILLIAMS:** We have a precious young lady living here who attends Antonelli College. She is studying massage therapy and loves Jesus with all her heart. She is great at giving massages, so if you go to Antonelli to get a massage, ask for her....she comes highly recommended & is working hard to get on her feet. Her heart is to use her talents to glorify God.

We see lots of miracles at this ministry. God so much desires for his children to prosper spiritually, financially, and physically. This home is like a hospital for homeless and hurting ....God brings folks here to heal them and give them another chance at life.

The awesome part is that it blesses us to be able to just work here and it blesses YOU when you give your money, time, talents and things here. You know that you are helping people who are learning to help themselves....it is so much better to know that what you give is going to a good purpose. I both challenge and invite you to come and visit our ministry and see for yourself.
